THE PICTURE OF DORIAN GRAY

Beverley

Award winning Box Tale Soup present a brand new adaptation of Oscar Wilde's classic, *The Picture of Dorian Gray*.

Dorian Gray, young and exceptionally beautiful, sinks deep into a frivolous lifestyle of glamorous luxury and selfish abandon, seemingly unchanged by corruption and untouched by age. But behind a thick, locked door, beneath a dark, heavy curtain, Dorian's portrait tells a different story...

"What does it profit a man if he gain the whole world and lose his own soul?"

Witness Wilde's haunting story of evil, debauchery and scandal, featuring puppetry and a powerful original soundtrack.

This production was commissioned by the William Andrews Clark Memorial Library, UCLA.

Audience: Adults and children over 12 years – not suitable for under 12yrs

OUR FRANCES

Swanland

This play by Berni Stapleton is an extraordinary story celebrating the life and heroism of Frances Cluett. Frances was born and lived in Belleoram, Newfoundland. In 1916, she joined the Volunteer Aid Detachment. After a scant month of medical training she was shipped overseas and served for four years at the 10th General Hospital in Rouen, France. Although she would likely argue the point, during those years she became as heroic as the men and boys who fought. The play is inspired by her many letters home, detailing the horrors and heartbreak she witnessed, and revealing how her humour and resilience captured the love and loyalty of all she encountered. Thirty-one letters provided a true, concise and compassionate account of women at war, giving a genuine and personal snapshot

of what life was like in the casualty hospitals of England and France during those years of slaughter that we call World War I and the toll that it took on the women who worked there.

TNL produce and present plays from a national and international repertoire and create work. They are a year round full-time professional company committed to the stories they tell, the artists who tell them and the community they live in. We welcome TNL from Canada for the third time.

Alan Barnes & David Newton

IN CONCERT

Swanland • Yapham cum Meltonby • Lund • Holmpton

Alan Barnes and David Newton have been playing duets for 40 years. These multiple award winners cover a vast repertoire from Louis Armstrong to Chick Corea and play with an empathy that can only come with long experience. David is one of the greatest solo jazz pianists this country has ever produced and Alan plays multi reed instruments – all the saxes, clarinet and bass clarinet. They have developed an empathy and telepathic sympathy which only playing together for many years can bring.

The emphasis, as always, is on swinging, accessibility and interplay. Expect a hugely entertaining programme of straight ahead jazz flawlessly played and interspersed with lots of anecdotes and

peppered with humour.

Audience: All Ages – anyone who likes music

They played a blinder!

Real mellow jazz and I enjoyed the anecdotes too.

Very special to see two masters of jazz playing in a village hall. Just superb

FROM JUDY TO BETTE: THE STARS OF OLD HOLLYWOOD

Lund • Bishop Burton

It's the 1930s, movies are being made faster than you can say MGM, and being made to make you feel good. Budgets are increasing and the studios are making pictures bigger and bigger. Within the industry, four women emerge who refuse to be "just another ingénue".

Judy Garland, Betty Hutton, Lucille Ball and Bette Davis each made their own strides to make women a more prominent and powerful force in Hollywood – they were trailblazers during the golden age of cinema. An evening of scandalous headlines and marvellous melodies. Critically-acclaimed Toronto performer Rebecca Perry takes to the stage to look at the lives of the ladies who broke convention and started something bigger, perhaps, than even they knew. With this affecting show, Perry shows that she not only creates her own marvellous characters, but beautifully inhabits those characters – perhaps even larger – that inspire her.

Audience: All ages, but seems particularly popular with age 40+

Perry doesn't do impersonations... she channels the women.

Perry's performance is nothing short of stunning... connecting with the audience and never losing us for a second.

Perry has a gorgeous jazz voice, capable of Cole Porter-esque perkiness and soulful richness.

Expertly weaving stories, songs, and impressions, Perry once again shows off her knack for making everyone forget that they're watching a one-woman show.
