Set Menu

George cooks food without a kitchen. During an evening of live cooking with jokes, anecdotes and general bonhomie he prepares three dishes of real and delicious food using a variety of non-culinary appliances from hotel room equipment, power tools, and other unexpected items. At the end of the show, if they want to, the audience get to taste the food too. A true multisensory comical experience with a bit of education and a heap of inspiration thrown in too.

“A culinary Bill Bailey, with chopping boards instead of keyboards. It is a multi-sensory delight to spend an hour with him”

Audience: Everyone (who enjoys a power tool)

Pants!

Pants! is a fun and sensitive exploration of self-love, acceptance and mental health. This work, created for young people 14-21, is a coming of age story where we discover who we are, and who we want to be. Join us in our weird and wonderful wardrobe world, as we search through this closet of cluttered memories. With research gathered from young people in Burnley, Trafford, Blackpool and Blackburn, Coalesce have embedded these stories and experiences into this new and exciting work for Library and Community Spaces.

Audience: Age 14-21

Watch as our story unfolds (literally) from a single suitcase and follow Grey’s journey to a better future with magical pop-ups, puppetry and shadows.

WRIGHT &
GRAINGER

HELIOS

A story about the son of the god of the sun, HELIOS transplants the Ancient Greek tale into a modern-day myth wound round the winding roads of rural England and into the everyday living of a towering city. A story about life, and about the invisible monuments we build to it. An intimate tale made to be told in smaller rooms, HELIOS is a collective experience which invites the audience to be part of the story. Told by a single storyteller, with a cinematic score, it's a story about growing up, about the pride of young boys, and how we define our worlds.

Audience: all aged 12+
